Petition Early Release Craig S. Oleksowicz, Docket No. 13-CR-00003-01.

District Judge Honorable Edgardo Ramos,

I was informed by my probation department, Erin Weinrauch, Supervisory US Probation Officer, that I am eligible for early release from probation. I am writing you to request early release from probation.

Over the course of my probationary time, I have incurred zero infractions and have conformed to any and all requests. Furthermore, I understand the role I have played in the crime I committed. Taken ownership of my mistakes and served my time introspectively. Since my initial arrest, no illicit substance has entered my body, tests during and post my incarceration have proven that as fact. All my interaction with staff have been respectful and obedient. This can be seen by my records of good behavior inside and out.

I only wish to move forward and be able to spend more time with my daughter, visit family and friends, and assimilate back into the community as a productive member.

As a judge your time is valuable. I appreciate your consideration in this matter and look forward to your response.

Respectfully,
Craig S. Oleksowicz
